Brain Boost

What time is it?

Practice setting clocks to the whole hour with a well-chosen partner.

1. Find a partner and get a clock.
2. Take turns being the teacher.
3. Only practice the hours and $\frac{1}{2}$ hours.

When you are finished with your agenda and breakfast, join Mrs. Patterson in a standing circle on the rug. We will play SPARKLE by skip counting our 2's.

Go around the circle skip counting by 2's, but when you instead of saying "26", you say SPARKLE and sit down. The counting begins at 2 again. When there are 10 people sitting, the game starts again and everyone stands up!

Brain Boost

When you are finished with your agenda and breakfast, join Mrs. Patterson on the rug. We will play **Blind Counting by skip counting 2's.**

While our eyes are closed, (No peeking!) we will try to count by 2's. Anyone can start the counting and anyone else can continue it, but if someone says a number at the same time as another, we have to start over!
