

Dear Parents,

The second grade class at Summit Road Elementary is excited to announce that they are going on a learning adventure! To enhance our understanding of state life science standards, students will be participating in "Science Days" at Dawes Arboretum in Newark. Students will experience classes focused on Incredible Insects, Beautiful Birds, Pond Investigation and Wildlife CSI. **The cost of the field trip is \$5.00 per student** (checks can be made payable to Summit Road Elementary).

The field trip is **Friday, May 9th**. Students will leave around 9:00 and return to school by 1:45. For the trip students will need:

- Sack lunch (no lunch boxes)
- Comfortable shoes
- Proper attire for the weather (coat, sweatshirt, rain coat)
- Sunscreen sprayed on at home
- Bug spray sprayed on at home (There will be ticks in the area.)
- Water bottle (If your child brings this, he/she will be responsible for carrying it around.)

Please sign the below portion and return it to school with the \$5.00 fee by Friday, May 2. If you have questions, please email Mrs. Martindale: dmartindale@reyn.org.

Sincerely,

The Second Grade Team

Mrs. Zwick , Mrs. Patterson, Mrs. Ball and Miss Ratcliff
