

FALL FOLIAGE FESTIVAL

OCTOBER 28TH AT 2:00

Summit Road SPARKS will be celebrating the Science of the fall season with a colorful classroom festival on Friday, October 28th. Students are permitted to come to school dressed in “STEM-Style” meaning they can wear something related to Science, Technology, Engineering or Math. For example, they may come as a scientist, an animal, a plant, “Michael Recycle”-(we are currently studying life sciences so anything related to their projects), a robot, an engineer... or any STEM related career. Be creative! 😊

Students will be escorted through the halls of our eSTEM high school campus to show off their STEM spirit! The STEM parade will take place at 2:00. Parents are welcome to come and line the sidewalks between our two buildings. Following the parade, students will return to classroom for yummy fall treats.

If you would be able to help with the festival, here are the things we will need. Please sign up below and return to your child's teacher. Items can be sent in on Thursday, Oct. 27 or 28th.

-
- Napkins
 - Cups
 - Plates
 - Apple cider
 - Sliced apples
 - Carmel
 - Candy Corn
 - Chex Mix
 - Pumpkin Seeds
 - Popcorn balls
