

# Holiday Festivities

Mrs. Patterson's Class

Thursday, December 22, 2011

- \* In the morning, the students are permitted to wear pajamas and bring a stuffed animal. We will be doing many activities related to "The Polar Express," including watching the movie, reading the book, collaborating on a comparison, and doing a team building activity.
- \* In the afternoon, we would like for you to join us for an ornament craft and 2 edible crafts. We hope to also have enough time for a short game. We can use your help with managing the crafts or the game. Please let us know how you can help. Our afternoon will begin at 1:00 and clean up will start at 3:00.
- \* Please check the list on our blog ([teachtobehappy.weebly.com](http://teachtobehappy.weebly.com)) for some of the items we need in order to have a successful holiday party. Some things have already been donated, so please let me know if you are interested in helping out.
- \* I am also requesting \$1.50 to go towards the many supplies I have bought for the holiday season with the children. The money will go towards pipe cleaners, ribbon, bells, glass balls, and other various materials used in making the crafts this season.
